Phone: +31 (0)10 7043842
Email: j.specker@erasmusmc.nl
Room: Na 21.19

Research subjects

Ethics, Moral psychology, Neuroethics, Bioenhancement

Biography

Jona obtained a BA degree at University College Maastricht and a MA degree in Philosophy from Erasmus University Rotterdam, where she focused on human moral experience and judgment and the philosophical implications of experimental research for our understanding of those phenomena. Until recently, she worked at the Scientific Council for Government Policy (WRR), an independent advisory body that uses an academic approach to advise the Dutch government on future issues of public interest.
