Biography

Gert van Dijk is trained as medical analyst, tour guide, philosopher and medical ethicist. After bicycling around the world for several years, he worked at the Humanist League, the Rathenau Institute, the Centre for Ethics and Health and political party D66 as head of the scientific bureau. He currently holds a position at the department of Medical Ethics as secretary of the Medical Ethics Committee. He also holds a position as ethicist at the Royal Dutch Medical Association KNMG and the review board on euthanasia.

Publication

De Boer JC, van Blijderveen G, van Dijk G, Duivenvoorden HJ, Williams M. Implementing structured, multiprofessional medical ethical decision-making in a neonatal intensive care unit. *J Med Ethics*. 2012 Oct;38(10):596-601.
